ABOUT US (GET TO KNOW US)

Petra Trading is a leading Romania alternative asset management firm with \$1.3 billion in assets under management. Our innovative investment platform includes diversified funds focused on private equity, venture capital, infrastructural assets, crypto-currency and hedge funds.

For over 12 years, our active management approach and relationship-based business have generated attractive returns for investors. As value-oriented investment managers, we focus on less efficient aspects of our target markets believing that this is the best way to deliver attractive risk-adjusted returns for our investor. Whether we are working with entrepreneurs to build their business or investors to build their portfolio, our values represent how we do business and are at the core of each Petra Trading professional.

Petra Trading's alternative investment platform is designed to complement and build value for investment portfolios by:

1. Offering unique investments in private markets.
2. Providing portfolio diversification and attractive risk-adjusted returns
3. Increasing access to alternative investments for different types of investors.
